PPE SAFETY

At Safety Sasa, our Personal Protective Equipment (PPE) Safety category encompasses a wide array of essential gear designed to shield workers and others from potential workplace hazards. From sturdy hard hats and protective eyewear to reliable earplugs and respirators, our PPE offerings are meticulously curated to meet stringent safety standards and ensure comprehensive protection in diverse work environments.

Our commitment to promoting safety in the workplace is evident in the quality and reliability of our PPE products. We understand the importance of equipping individuals with the necessary tools to mitigate risks and prevent injuries. By offering a comprehensive selection of PPE, we empower employers and employees alike to proactively address safety concerns and uphold regulatory compliance

MOBILITY AID & EMERGENCY PRODUCTS

We extend our commitment to workplace safety by offering a comprehensive range of Mobility Aid & Emergency Products. Designed to enhance accessibility and preparedness in various work environments, our products cater to individuals with mobility challenges and provide essential resources for emergency situations.

In times of unforeseen emergencies, our Emergency Products serve as vital tools for swift and effective response. Our inventory encompasses a diverse array of emergency supplies, including first aid kits, emergency evacuation chairs, fire extinguishers, and safety signage. These products are meticulously curated to equip workplaces with the necessary resources to address emergencies promptly and ensure the well-being of employees and visitors.

FLOOR SAFETY

Floor Safety is a critical aspect of workplace safety, and Safety Sasa is committed to providing products and services that mitigate the risks associated with potential hazards on floors. Our comprehensive range of offerings includes solutions designed to enhance traction, prevent slips, trips, and falls, and ensure a secure footing for workers and visitors alike.

We understand the importance of maintaining safe walking surfaces to minimize accidents and injuries. Our floor safety products encompass a variety of options, from non-slip floor coatings and mats to hazard signage and anti-fatigue flooring. Additionally, our expert consulting services can assist employers in identifying potential floor safety hazards and implementing effective preventive measures.

HEATERS

we extend our commitment to workplace safety to the category of heaters, ensuring that even in cold environments, employees remain protected and comfortable. Our heaters are carefully selected to meet the highest standards of safety and efficiency, providing reliable warmth without compromising on safety measures. From electric heaters to propane and natural gas options, our diverse range caters to various workplace needs

BATHROOM SAFETY

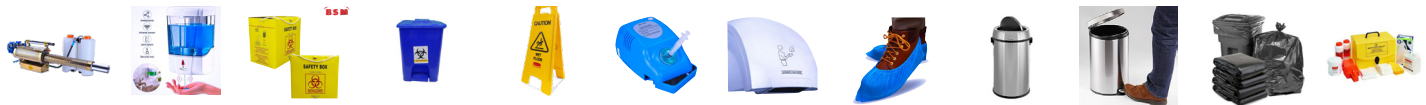

Bathroom Safety at Safety Sasa is dedicated to providing products and services tailored to safeguard individuals in one of the most common areas for accidents at home and in commercial settings. We offer a comprehensive range of bathroom safety equipment and solutions designed to minimize risks and promote well-being. From slip-resistant mats and grab bars to shower chairs and raised toilet seats, our products are aimed at enhancing safety and independence for users of all ages and abilities.

HYGIENE

Safety Sasa understands the critical importance of hygiene in maintaining a safe and healthy work environment. Our hygiene category encompasses a wide range of products and services designed to promote cleanliness and prevent the spread of germs and contaminants in the workplace.

From sanitation supplies such as hand sanitizers, disinfectants, and cleaning wipes to personal hygiene products like disposable gloves and face masks, our offerings are tailored to meet the diverse hygiene needs of businesses across various industries

SWIMMING SAFETY

Our Swimming Safety category encompasses a variety of essential products and services tailored to enhance safety in swimming pools, beaches, water parks, and other aquatic venues. From personal protective equipment (PPE) such as life jackets, rescue tubes, and lifeguard whistles to water safety signage, first aid kits, and CPR training materials, we provide everything needed to mitigate risks and respond effectively in emergency situations.

HOME-CARE PRODUCTS

Our Home-Care Products category features essential items carefully curated to promote safety and well-being in your home environment. We offer a variety of other safety-enhancing products and services tailored to your home setting. Whether you're looking for childproofing solutions, fire safety equipment, or emergency preparedness kits, Safety Sasa has you covered.

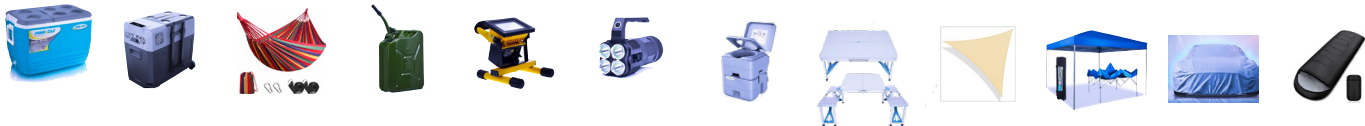

LADDERS

At Safety Sasa, we understand the importance of ladders in preventing accidents and injuries in the workplace. Our wide selection of ladder safety products and services is designed to meet the diverse needs of various industries and workplaces.

OUTDOOR EQUIPMENTS

Discover a comprehensive selection of outdoor equipment tailored to meet your personal safety needs at Safety Sasa. Our range of outdoor gear encompasses essential items designed to protect you from hazards while working or enjoying recreational activities outdoors.

TRAVELING SET PRODUCTS

Safety Sasa offers a comprehensive range of traveling set products designed to ensure safety on the go. Our traveling sets include essential protective gear such as hard hats, safety glasses, earplugs, and respirators, tailored for professionals who work in dynamic environments or are frequently on the move.

A photograph of two workers in an industrial setting. The worker on the left is a man with a beard, wearing a yellow hard hat with 'SAFETY' written on it, safety glasses, and a high-visibility orange jacket with reflective silver stripes. He has large headphones around his neck and is smiling. The worker on the right is a woman with curly hair, wearing a red hard hat, safety glasses, and a high-visibility orange vest over a dark shirt. She also has large headphones around her neck and is smiling. The background is a blurred industrial environment with various pipes and machinery. The entire image is overlaid with a semi-transparent orange filter.

Approved by:

Name	Designation	Signature

Vendor Acceptance:

Title SAFETY SASA LTD

Account Name:	SAFETY SASA LTD
Account Number:	1212185809
Bank & Branch:	KCB BANK BIAHARA STREET

NOTE: Vendor to carefully read contract conditions attached to this Local Purchase Order and by appending the signature the vendor accepts to observe all the conditions without exception.

Vendor Contract Agreement with Women In Sustainable Energy and Entrepreneurship(WISEe)

2. Vendor Agreement

This Vendor Agreement is between the vendor (whose full name and address) are contained in this agreement and WISEe for the period stated herein. This agreement can be cancelled by either party upon written notice.

3. Contract Purchase Order (CPO)

This is the official commitment from WISEe for the supply of goods or services. The CPO MUST be signed by an authorized WISEe officer. Upon receipt of an original CPO, the Vendor will deliver the items or services within the stated time in the CPO. If unable to supply, WISEe requires immediate notification of the proposed delivery date.

4. Prices

4.1 The Vendor is required to provide items or services as per the price list provided on the original bid documentation. In instances where the prices are not known, WISEe will provide the vendor with a copy of Purchase Request which lists the items to be purchased. Upon receipt of the Purchase request, the vendor will provide Proforma Invoice so as to include the prices on the CPO.

4.2 If items are not available at the time the Proforma Invoice is prepared, WISEe must be notified so that items are not included in the CPO.

4.3 If you are VAT compliant attach ETR receipt to the invoices.

5. Deliveries

5.1 Unless otherwise directed, the vendor is to deliver the goods or services to the WISEe location indicated in the CPO. The deliveries must be within the contractual framework for delivery.

5.2 At the time of delivery, the Vendor is required to do the following: # Deliver the items as agreed upon in the CPO

Provide a Delivery Note that has an itemized list of the goods or services delivered.

Provide an invoice that has an itemized list of the goods or services delivered and the total price. # Note that no payment will be made without meeting the requirements highlighted in #4.

6. Vendor payments

Payment of the invoices will be made via a cheque or funds transfer within three months of full delivery.

7. Professional Conduct

7.1 As a WISEe Vendor, you are expected to ensure that the following does not occur:

Unethical conduct or unprofessional behavior by the Vendor or vendor's agents. This would include, but not limited to, trying to obtain privileged information about competitor's prices, quotes etc.

Offering of kickbacks, bribes, inducements or payments to WISEe staff or representatives. # Providing poor service, low quality products or non-adherence to the agreement.

WISEe holds ethical conduct in the highest regard. If it is discovered that corrupt or unethical practices have been undertaken by the vendor, or attempted, the Vendor will be disqualified from any further work with WISEe.

MANDATORY TO BE FILLED	
Vendor Acceptance Agreement	
I hereby confirm that I have read the terms and condition appearing on both pages of this CPO/LPO and Express our/my acceptance that we/I will abide by them.

1. Delivery location: The supplier is responsible for delivering the goods to the warehouse designated by the buyer and bears the transportation costs.
2. Delivery requirements: The supplier must fill in the delivery list when delivering the goods, and indicate the SAP number, material code, material/product name, quantity and specification and other details, and provide samples of various specifications according to the requirements of the buyer for test.
3. Payment method:
4. Quality requirements:
 - 1) The quality of materials/products required by the buyer must comply with the company standards of the buyer and relevant international national standards and industry standards. If any loss is caused by quality problems, the supplier must bear all the losses at the same time.
 - 2) The supplier shall provide the product inspection report.

Purchase contract

- 3) If the material/product is found not to meet the requirements of the buyer after inspection, the product will be returned unconditionally in principle, and the qualified product will be returned within the specified time; if the two parties agree to use it through selection, etc.
5. Quantity requirement: The supplier must ensure that the delivery quantity is consistent with the quantity on the delivery list. If the purchaser finds a shortage in the quantity during the sampling process, it will be deducted from the entire batch of delivery quantity according to this ratio.
6. Packaging requirements:
 - 1) The supplier must ensure the integrity and safety of the product when delivered to the purchaser.
 - 2) The markings on the packaging must be clearly marked as required by the purchaser, otherwise the purchaser has the right to refuse.
 7. The supplier shall deliver the goods on time as required by the purchaser, and 2% of the payment for the batch shall be deducted for one day of delayed delivery, and so on, with a cumulative amount not exceeding 10%.
 8. When the supplier receives this contract, they must sign and stamp it for confirmation within 8 hours, otherwise it will be deemed that the supplier has confirmed and accepted this contract.
 9. Method of resolving contract disputes: If any disputes arising from this contract cannot be resolved through consultation between both parties, either party has the right to submit the dispute to the people's court in the place where the demander is located.
 10. Intellectual Property: The supplier shall ensure that the trademarks, patents, and other intellectual property rights of the goods provided belong to the supplier. For goods that are not owned by the supplier, the supplier is obligated to provide formal channel proof to the demander. The supplier is obligated to keep confidential the technical data, drawings, and other related information and quality information provided by the demander.
